DIRECTORY OF POLICY STATEMENTS

Policy Number: VII:01:00

Date: February 2, 2009

SUBJECT: **Application / Administration of Grants and Contracts**

The Research Foundation (RF) is a private, nonprofit, educational corporation dedicated to serving the State University of New York (SUNY), by providing the professional programs and services necessary for SUNY to be recognized as the premier provider of public higher education in the world. This includes administration of externally funded sponsored programs for SUNY. The RF carries out its responsibilities pursuant to a 1977 agreement with SUNY, which designates the RF as the only party that may enter into and sign an agreement with a sponsor for externally funded SUNY research.
