

Buffalo State College  
Exceptional Education Department

**Report of Practicum Coordination**

**2006 – 2007 Academic Year**

This year there was a transition of practicum coordination from Holly Quicksey to Bruce Baum as a result of Ms. Quicksey leaving the Exceptional Education Department to assume responsibilities as an assistant to Dean Rochon in the School of Education office. Activities that occurred during the year included:

- Implementation of data collection recommended by the Ex. Ed. Assessment Committee.
- Data collection specifically for the NCATE evaluation.
- Initiation of new practicum assessment forms.
- Coordination of the undergraduate student teaching application process with personnel in the Elementary Education and Reading Department
